

SUPPORT OUR MUSIC PROGRAM!

Over 150 Band and Color Guard students participate in the music program at I.H.S.! Please come support your student and be a part of our Band family!

Learning through music is proven to be linked to **increased academic performance.**

Many colleges view participation in music as contributing significantly to a child's intellectual development and colleges consider active and sequential participation in band as an elective indicative of academic rigor, extracurricular excellence, and a reflection of discipline and effort.

- US Department of Education

Who are the IHSFBB?

The IHSFBB is an association of parents, faculty, and members of the community that are dedicated to providing support to Mr. Green, his staff, and the students. By doing so, it helps to create, produce, and perform the best possible concert, marching, and color guard programs. The boosters support this effort through coordinating donation opportunities, coordinating fundraising activities, and volunteering at band and color guard events such as football games, marching competitions, and so much more!

How is the membership/fundraiser money spent?

- Materials to build props for the Fall Field Show.
- Pays for entry fees to competitions for the Marching Band, Color Guard, and Drumline.
- The Marching Band's uniform cleaning and maintenance.
- New costumes for the Drumline and Color Guard shows.
- Instrument repairs and/or replacement.
- Pays for new equipment (harnesses, flag poles, etc.)
- So many things to list!

PLEASE JOIN US!

You're invited to our monthly booster meetings, which happen on the first Tuesday of every month and are held in the band room. We discuss, fundraisers, upcoming events and other **FUN** stuff! Membership not required to attend meetings!
